Note: Labels can be printed with office printers and optional software from **ID Automation** which supports a wide range of label printers.
Please call for details.

HandiFox Desktop

Receipt Printers

Receipts can be printed with the HandiFox mobile app on Bluetooth and Network printers. To be compatible with HandiFox, the printer should support one of the following printer languages:

HP PCL   CPCL   Line Printer

Receipts can be printed in

2"   Letter size

Please contact us if you need to print receipts in a different size.

Bluetooth receipt printers	Retail price
Zebra ZQ600 Plus Series 2" Mobile Printers	**$ 1000-1200**
Zebra ZQ300 Plus Series 2" Mobile Printers	**$ 430-520**

Note: Letter size printing in a vehicle can be accomplished using office WiFi printers supporting the HP PCL format. These are available from HP and Brother. An AC power supply and a wireless router are required in the vehicle.
